Message from the Mayor

STREETLAMP NAMED DESIRE

Mission Viejo's unique streetlight the experts said couldn't be done

One of the most iconic images in all of Mission Viejo is the Mission Bell streetlight. The story behind it is so interesting we want to share it with you. In the 1960's when city founders designed the city, the recreation centers, the parks, the gently curved streets, they said, *We need something else, something that's indictative to Mission Viejo.*

Mission Viejo's bell shaped street lights where patterned after bells that were along the historic El Camino Real. El Camino Real is the road of the missions. All Father Junipero Serra's missions are along this highway, from San Diego to San Francisco, each about a days walk apart.

The Mission bell streetlights were fashioned from the El Camino Real Bells and a photograph of the Mission San Juan Capistrano Bells.

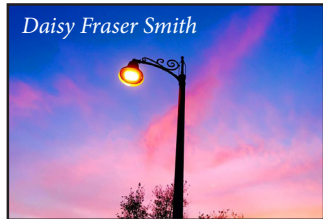

The idea for a bell started at the Mission Viejo Company, the experts said it would be impossible to create such a light. General Electric finalized the design and manufactured the streetlight. Walter Scott, of G.E. and Roy Dahlin, of the Edison Company, collaborated to create the light and scroll to match the proportion and color of the bell at Mission San Juan Capistrano. The name of the bell is Mission Bell Luminaire.

Photo credit - Brian McArtney

Today Mission Viejo has thousands of these special streetlights all around our City. It is said you can walk out the front door of any Mission Viejo house, look left or right and you'll probably see one of these pieces of Mission Viejo history.

Last month we asked our **Mission Viejo Reporter** Facebook fans to send us their best pictures of Mission Viejo streetlights. Inside this issue you'll find a couple dozen fantastic pictures taken by Mission Viejo residents.

MESSAGE FROM THE MAYOR

Mayor Frank Ury

Water Savings is one of the key City Strategies for 2016, and the City Council recently doubled its investment in a new, Intelligent Irrigation System for our City's parks, with a goal of saving over 30% on our park water use. In addition, the City applied for grants that covered almost 45% of the total cost of the new system. This will lead to a payback for Mission Viejo of under 20 months. Once the payback is complete, we will reap the benefit of this strategic water decision for decades to come.

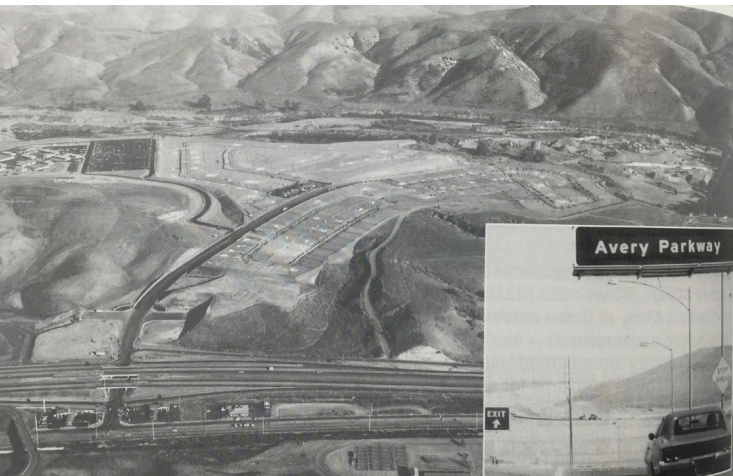

The water savings will be substantial. In general, once the full system is in place in late spring, the City, over the next three years, will save a volume of water equal to a football field covered by water to a depth of over 800 feet!

The City has a couple of other water saving plans in place, they will be made public in the next month or two. I will keep you posted as we work to totally change the culture of water management here in Mission Viejo.

Frank Ury, Mayor City of Mission Viejo

Intersections WE REMEMBER

Mission Viejo Deputy of the Year

by Chief of Mission Viejo Police Services Brad NewMyer

Deputy Jeff Flaming has been selected as "Mission Viejo Deputy of the Year" for 2015. The selection was a culmination of responses from both the deputies and supervisors, who overwhelmingly chose Jeff for this award.

Jeff has been a member of the Orange County Sheriff's Department since 2002, and has been assigned to the City of Mission Viejo for the last 4 years. Jeff started in Mission Viejo as a patrol deputy, but his professionalism, leadership, job knowledge and experience have led him on to additional assignments and responsibilities. Jeff has served as a Field Training Officer and is a member of the department's Critical Incident Response Team. He has additional certifications in traffic investigation and DUI investigations. Jeff is regularly among the city and department leaders in DUI and criminal arrests each year.

MISSION VIEJO GYMNASTS BRING HOME GOLD

By Irene Palatics

Three Mission Viejo gymnasts travelled to Colorado Springs, CO February 5-7 to compete in the 28th annual Pikes Peak Cup. All three gymnasts joined their teammates to bring home gold and their season's best results.

Level 6 gymnasts Abby Owen and Zita Conot won gold with personal best scores. Owen, a 5th grade student at **Reilly Elementary**, was rock steady on the beam. She scored 9.575 to secure the top spot on the podium. She was also strong in all events, to take third all around with a 37.750. **Bathgate Elementary** 4th grader, Zita Conot wowed the crowd on floor and won gold with a fantastic score of 9.825. She continued her success, winning silver on vault with a 9.550. Owen and Conot contributed to their team's combined success as well. The Level 6 team won gold and dominated with 21 top 3 finishes as well.

La Paz Intermediate 8th grader, Payton Burn had her best meet of her first competitive season. The Level 7 gymnast was outstanding on beam, winning gold with a 9.750. She took the top podium spot on floor as well with a strong score of 9.725. She won silver on vault (9.450) and the all around (37.125). Burn's high scores, combined with teammates Reagan McMahon and Jessica Wright's 7-top three finishes, led the team to the all around team gold medal as well.

Owen, Conot, and Burn all train 16 – 20 hours at Olympica Gymnastics. Their amazing hard work is paying off.

The Shops At Mission Viejo Six New Retailers On The Way!

The Shops at Mission Viejo is preparing to give a warm welcome to six new stores, studios and restaurants that will be joining the center over the next few months, including **Madewell, The Melt, Full Psyche, A Pea in the Pod, Soma, and Islands Fine Burgers & Drinks.**

"We're excited to welcome a mix of new fashion, dining and lifestyle options for our shoppers," said Patsy Sanquist, Director of Marketing and Business Development for The Shops at Mission Viejo.

G.I. Joe Search and Rescue Warriors of The Heart

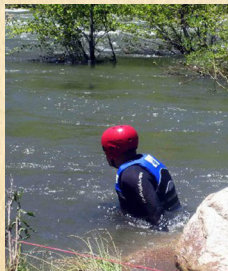

Joe Le was an incredibly kind-hearted individual who strived to bring enjoyment to the lives of others. Joe was a very bright young man, an aspiring graphic design artist who loved the outdoors. In April of 2011 Joe was hiking in the mountains above Azusa, California, when he slipped and was swept away in the fast-moving water of a river that ran through the canyon. Emergency response personnel were unable to rescue him and, when their mission status moved from Rescue to Recovery, they were unable to locate his body.

The Mission Viejo based **G.I. Joe Search and Rescue** was started by Joe's sister, Mission Viejo resident **Victoria Le**. The mission of G.I. Joe Search and Rescue is to provide assistance & resources to both local authorities and families with missing loved ones. We are a self-activating team of search and rescue (S.A.R.) volunteers and we respond when notified

of an emergency rescue or recovery mission. We strive to prevent and assist in emergency rescue situations by preparing and training ourselves in survival and S.A.R. techniques, and by educating the public on safety and survival procedures.

Since starting **G.I. Joe Search and Rescue**, our volunteers have been involved in situations very similar to Joe's and we have also responded to other emergency efforts elsewhere in the United States and abroad.

GRAFFITI CLEAN UP

To you and I it's gibberish, but to some it's messages. That's why over 1,000 times a year, a select team of Mission Viejo staff members are ready to go to work at a moment's notice.

The Orange County Sheriffs Department contributes the city's lack of a gang presence partly due to the fact that we are very, very aggressive on graffiti.

The average citizen would probably not realize this due to a very aggressive graffiti removal program. Most graffiti is removed within 24 hours of being reported.

The single best deterrent for graffiti continues to be a fast removal of the graffiti. All graffiti is photographed, plotted with GPS coordinates logged into a computerized program and monitored by our Orange County Sheriff Department.

Citizens can report graffiti 24 hours a day on the City of Mission Viejo Graffiti Hotline - **949-460-2924**

MISSION VIEJO
Make Living Your Mission

EAGLE SCOUT PROJECT

Corner of Alicia and Marguerite Parkways

Daniel Molloy a senior at San Juan Hills High School, completed his eagle scout project on Feb 5th 2015. After working with the City of Mission Viejo to determine the needs of the city, it was decided that existing grass on two quad areas on the corner of Alicia and Marguerite Parkways would be replanted with drought tolerant landscape and trees.

Daniel organized over 30 volunteers to work on that Saturday morning for over 4 hours planting over 600 plants and 8 six gallon trees. A local scout troop not affiliated with Daniel unit #725 came and volunteered after seeing the need posted on Justserve.org. **JustServe** is provided as a service by **The**

Church of Jesus Christ of Latter-day Saints listing local opportunities to enhance the quality of life in the community.

Daniel was happy he could find a way to serve and benefit the community of Mission Viejo where he has lived, played, and grown up in for 12 years.

City Staff Supervisor Raul Villalobos

Retired Mission Viejo Cop Becomes Bestselling Author

Dave Freedland has been a Mission Viejo resident for 37 years, and is a retired **Deputy Chief of Police for the City of Irvine**.

Dave is the bestselling author of the popular book, **Lincoln 9**. Although it is a work of fiction, it covers three actual homicides that occurred in Irvine during his 32 years on the job.

Each segment of the book leads to the next... well rounded... based on real life experiences described by a law enforcement legend.

Michael R. Hillman - Retired Deputy Chief of Police LAPD

The book is available on Amazon.com, BN.com and ShopOTPBooks.com. Published through Oak Tree Press.

Kiwanis Recognizes 2nd Quarter MVPs from Local High Schools

On February 9th, with their parents in attendance students from **Mission Viejo High, Capistrano High** and **Tesoro High Schools** received awards from the Kiwanis Club of Mission Viejo at a breakfast meeting at Fairhaven Memorial in Mission Viejo. Principals were at the breakfast meeting to highlight each students' accomplishments

The Students were nominated by the teachers with final selection by the schools' administration staff. The criteria for selection is leadership, academic excellence and/or community volunteerism. The Kiwanis Recognizes 2nd Quarter MVPs from Local High Schools

Mission Viejo Rotary Club

Rotary Supports New Business Startup

The Rotary Club of Mission Viejo conducted a "Cash Mob" when 15 members and six spouses surprised the owner of **Cecilia's Tortilla Grill** in Laguna Hills by walking in unannounced to order dinner and beverages.

This is the second "Cash Mob" carried out by the Rotary club. Last year members paid a visit to the Italian Restaurant **Sabatino's** in Mission Viejo.

Old MacDonald's Farm

by Chuck Costello

Originally, **Old MacDonald's Farm** opened at Knott's Berry Farm in January 1955. Operators of Old MacDonalds Farm, **Fulton & Kay Shaw**, left Knott's in early 1969 and moved their business to Mission Viejo, where they reopened in August. The location was once a small ravine located at Crown Valley Parkway and the northbound entrance to the 5 freeway.

Years later, the Shaw's had a dispute with Knott's, which had continued to use the name "Old MacDonald's Farm" for their petting zoo. In the end, the Knott's version was renamed "The Animal Farm." The Shaws battled through some tough times, and finally the Old MacDonalds Farm closed in the late 70's. After closing, the only item that remained was the circular metal hitch from the pony ride. Needless to say, weeds and brush grew in that vacant lot, but the rusted metal hitch lasted until the Kaleidoscope was built.

Crown Valley Pkwy / 5 Frwy.

Mission Viejo Chevron Since 1970

Meet **Steve Cary**. Steve and his family have owned the **Mission Viejo Chevron Station** since the early 1970's. Steve has worked at the Chevron station since 1977. Steve and his crew have been providing Mission Viejo residents quality service, gasoline and the most convenient location possible located at Crown Valley Parkway and the five freeway.

Steve has seen the city grow from a viewpoint like no other. He remembers when it was just the Chevron station and Old MacDonalds Farm across the street (see photo).

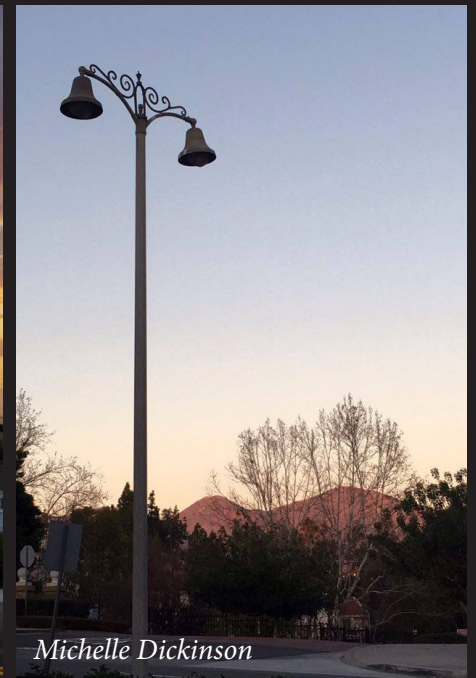

Steve owns the property and says he'll be here for a long time. So, next time you fill-up stop and say hi to Steve.

Steve's Chevron station still offers free air and water to all those who need it. Who says the best things in life aren't free.

MISSION VIEJO PUB CRAWL!

By **Kathy Kuiper**

This is my birthday month so I figured it was a good time for a pub crawl. We started at **Dublin 4 Gastropub** on Oso where we enjoyed the Pacific Northwest Dungeness Crab Salad along with the popular plank of Fish and Chips. The Norwegian Cod was some of the best I've had and perfect with the Tipperary Irish Cheddar Mac and Cheese. We also ordered the exceptional Orange Cardamom Croissant Bread pudding. My drink was called "The Longest Way Round", with Ketel One, basil, habanero, and citrus which I selected off the fabulous Craft Cocktail list. The meats are cured and smoked on the premises by chef David Shofner, consistently named one of the top executive chefs in O.C. and touted by many foodies. Owners Darren and Jean did a fabulous job executing Dublin 4 Gastropub, along with **Wineworks** next door.

Next stop was **Pub 32** on Alicia. We enjoyed sitting on the patio and the service was stellar. Our steak tacos and portable fries were fabulous. My braised short rib beef which was so tender it fell off the bone. We finished it off with the delicious beignets. Pub 32 has a full bar and a nice selection of beers. Pub 32 offers Wine Wednesdays and a weekday Happy Hour from 2-7. They have fantastic local artists playing music Friday and Saturday nights. We'll definitely be taking Uber back to this place soon.

COOLEST TRUCK in Mission Viejo

Mission Viejo resident, **Bob Meredith**, probably has the coolest truck in Mission Viejo. It's a 1959 Chevrolet Fleetside Pickup.

Bob purchased it from a parts store in Mission Viejo off Avery Parkway around 1997. It was just a cab and a frame so it had to be towed to Lake Elsinore, where he had an auto repair shop at the time. It had always been a dream of Bob's to restore this classic 1959 model of Chevy pickup. So in nine months he did a complete off-frame restoration to its original condition by visiting a lot of salvage yards and the Chevy Truck Stop store. He also chose the exterior color and did the paint job himself.

After the massive restoration Bob only drove the truck to shows and often had it trailered to events and places. Then one day he said to himself "this is a truck that needs to be driven." So, Bob did away with the careful and delicate attitude toward his

classic Chevy. Today you'll find Bob driving his truck daily and in the bed of the truck don't be surprised if you find auto parts, tools, and pieces of lumber. It's a real everyday truck and Bob loves it. He drives it everywhere and always receives many thumbs up from people along the way.

Hampton Inn & Suites Building 101-Room Hotel

Hampton Inn & Suites is building a three-story, 101-room hotel on Marguerite Parkway, south of Avery Parkway. The hotel will be three stories high.

The proposed hotel's architecture will include a contemporary design, including tile roof materials, stucco walls, trim, and color selection.

The new hotel will include a lobby with public restrooms, a meeting room that will hold a maximum of 40 people, management offices, storage rooms, an outdoor courtyard, a pool, and a garden area.

It's location and construction is designed to increase the setback from the public right-of-way and residential community.

When completed in fall 2016, the Hampton Inn & Suites will become the fourth hotel in Mission Viejo. The three others are the Ayres Hotel & Spa, the Ayers Suites and the Fairfield Inn by Marriott.

Dreaming Up the Ideal Retirement Is Your Job. Helping You Get There Is Ours.

It's simple, really. How well you retire depends on how well you plan today. Whether retirement is down the road or just around the corner, the more you work toward your goals now, the better prepared you can be.

Preparing for retirement means taking a long-term perspective. We recommend buying quality investments and holding them because we believe that's the soundest way we can help you work toward your goals. At Edward Jones, we spend time getting to know your retirement goals so we can help you reach them.

The Zika Virus Update

In 2015 eight people died of West Nile Virus in Orange County and 377 people were infected, one from Mission Viejo. The new problem on our hands is the Zika Virus.

The Zika Facts

- Zika virus is transmitted by Yellow Fever and Asian Tiger mosquitoes. Both species are now found in Orange County.
- A strong correlation has been made to microcephaly (small head size) in newborn infants
- The World Health Organization has declared a "Public Health Emergency."
- There is no cure for Zika. Mosquito breeding source elimination and bite prevention is the only way to prevent the spread of this virus.
- Mosquito control is a shared responsibility. Every resident must redouble their efforts to eliminate ALL standing water from their property, including standing water found indoors.

MISSION VIEJO RESIDENT OF THE MONTH

Our resident of the month is, some say, Mission Viejo's favorite Rabbi, **Rabbi Zalman Marcus**. Rabbi Marcus was born in Brooklyn New York.

He was raised and educated according to the Hasidic Jewish tradition and comes from a lineage of Rabbis. He is the presiding Rabbi of the **Chabad Jewish Center** of Mission Viejo, California. Rabbi Marcus is particularly suited for this role. His enthusiasm and charismatic style, truly enhance his gifted teaching.

Rabbi Marcus has been married to his wife, Bassie, for 23 years. They have had nine kids, ranging from 2-21 years old. The family has lived in Mission Viejo since 1995.

Rachel Lustig

Capo Valley High School - Varsity Soccer

Rachel started playing soccer when she was only 4 years old. She just finished her last high school season with Capo Valley girls varsity soccer, and is going to continue to play with her club team, the SoCal Blues. She wants to definitely continue soccer in college, whether it is for her school, or with a club. Her team is looking forward to National Cup in March and they are hoping to do well and advance through the tournament.
